

This layout shows the whole RER A line in Paris. RER means « Réseau Express Régional » (suburban train network). It controls about 110 km of rail tracks.

There is quite 850 daily trains (only from monday to friday). In rush hours (from 7.30 to 9.00 and from 17.00 to 19.00), the headway between « Nanterre-Préfecture » and « Vincennes » is about 2 minutes with 67 trains on duty.

Most of the time, the layout must be played with speed x1 or x2.
